¡Buenos días!

While we are apart, let's have some fun playing detectives at home. I have been bringing items to school that we can find at home and have Spanish words in them. You have seen popcorn bags, frozen foods boxes, can soup wrappers, crayon wrappers, glue sticks and board games play instructions. Start gathering samples and we can put them together in a poster board when we meet again. We can have one for each grade and hang them in the hallways! Remember to *ask you parents* first if you can use or take them.
